To Whom It May Concern:

Please accept this letter of recommendation on behalf of Les Story. I have had the pleasure of having Les in my class at Coalinga High School for several years. Quite simply, Les is one of my most outstanding students. Les is responsible, hardworking, follows directions well, and works well with others.

His attendance is definitely a strength. On the rare occasion he is absent, he always communicates with me and gets all his assignments. He is always on time. He is one of my few students that doesn't have a tardy. I can count on him to be one of the first students to be on his daily roll spot.

You can be assured that he is very hard working. In our weight training class, he is not afraid to put in serious work. The effort is always there. I also can trust him to do his work safely and efficiently. Les also has a calm personality, which will help him handle stressful situations.

I really like how Les follow's directions. I only have to tell him one time and the task is done correctly and without constant reminders. If there is a problem, Les uses his problem-solving skills and figures it out. He can work independently or as part of a team. This is where I think he really excels. Les has a great personality and gets along with others. He also has good leadership skills that any employer would like.

Please give Les Story strong consideration for this position. I am confident that he would be a great hire.

If you have any other questions, please feel free to contact me and we can further discuss Les Story's great qualities.

Sincerely,

Carlos McCaleb
